

A Big Aircraft Little Sky!

By Capt Susan Gutierrez, Hill AFB, Utah and
Maj David Von Brock, Davis-Montham AFB, Ariz.

There I was, a brand new mission-ready wingman flying a mighty A-10 Warthog 12 days into Operation DESERT STORM. Most of the Close Air Support (CAS) assets, including our flight of two A-10s, were diverted to Khafji that night to counter a coordinated armored offensive from the world's fourth largest army ...
